WHY?

“There can be an intense egoism in following everyone else. People are in a **HURRY** to magnify themselves by **IMITATING** what is popular, and too lazy to think of anything better. Hurry ruins saints as well as artists. They want **QUICK SUCCESS** and they are in such a hurry to get it that they cannot take time to be **TRUE TO THEMSELVES**. And when the madness is upon them, they argue that their very haste is a species of integrity.”
